All weather, all temperature, general purpose, colors, silicone, rubber, friction and more. In fact if it sticks and its going to keep your contractors within code we've got it. Merco Tape.

We offer all our high quality products at *extremely* aggressive pricing. When you buy from Merco Tape you're buying quality tape: no marketing, no advertising, no charging three dollars for a one dollar roll of tape. Merco Tape is guaranteed to put more money in your pocket and a smile on your customer's face.

So, Why pay for three M's when you only need one?™ Merco Tape. Delivering quality product to fine supply houses for 50 years. Let us show you that we're the only M a good supply house ever needs.

Visit us at www.ElectricalTape.com. (Can your present supplier say that?)
