Merco Tape is *the* supplier of choice for the Army/Navy, Ships' Chandler and Marine, Outfitting and Surplus and the Oil and Gas Exploration industries.

Duct and Gaffers tape in all colors and stock and custom widths. Electricals, masking tapes, shipping tapes, construction marking and safety tapes, vinyls and foils. In fact, if it sticks, we've got it.

Outfitting the next Gold Rush? Perhaps next winter's Iditarod? We've got tape with cold weather adhesives guaranteed to stick (and in a color to compliment the sled dog's harness.) Someone trekking to the mouth of the Amazon? Maybe rafting the Colorado in August? Waterproof tape with high performance, high temperature adhesives guaranteed to be working long after everything else has wilted.

Merco Tape, converting, manufacturing and supplying quality tape for two generations now, since 1972. Quality guaranteed. Performance guaranteed. Price guaranteed. Because your customer *can't* return his product from the North Slope, and shouldn't have to from anywhere else.
